PRESIDENTS MESSAGE

My dear Members,

With the opening of our new pool and other new facilities at the club, the committee and I are extremely pleased to see so many faces that we haven't seen in a while patronizing the club. The kiddies section has been very popular with the bouncers, rides and the party area being used regularly.

I hope you have had a chance to try some of the new items on the menu and our theme nights. Chef Darshan and his team have worked hard to design these special theme nights for us. If you haven't been to one of them as yet, you're missing out on a great meal at a great price.

The Club's Business Centre has been upgraded and enhanced to facilitate any type of corporate meetings or gatherings. I ask you to please give us the opportunity to serve you and your friends/colleagues by booking your next corporate meetings/workshops at the club's Business Centre.

We are also now on the look out to increase the patronage of the RESIDENCY rooms. So, if you have any family, friends or business colleagues visiting Sri Lanka please book them in at the club, as the rooms have been priced at very economical rates with no compromise on quality or service. Most of the rooms have been upgraded with new amenities and the guests have a choice of rooms, with views of the new swimming pool/ocean, ocean and car park side.

Last but not least, I hope you are in the process of planning your Christmas activities at the club, as we will be kicking off the festive season with the traditional lighting of the Christmas tree/carols featuring the De Lanerolle brothers. This will be followed by the Kiddies Christmas Party, Christmas Eve Dinner, Christmas Day Lunch and culminating the season with the New Year's Eve party.

See you at the club !
